SIR:

PETITION TO WITHDRAW A HOLDING OF ABANDONMENT

or, in the alternative,

PETITION TO REVIVE AN APPLICATION FOR PATENT
ABANDONED UNAVOIDABLY UNDER 37 CFR 1.137(a)

or, in the alternative,

PETITION REVIVE AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)

A petition to withdraw a holding of abandonment was filed on Feb. 19, 2003. The primary cause for the abandonment was the operational breakdown within the PTO that lost, misplaced, or misfiled applicant's Office Action response. The petition included proof that the PTO received applicant's amendment.

On April 1, 2003 a ruling was mailed, **dismissing** the petition.

It is not clear whether the Petitions Examiner is challenging applicant's claim that the amendment was indeed filed as claimed (there were more than one fax sessions in the original communication to the PTO because of technical problems).

What is clear is that the Petitions Examiner asserts that the "transmittal form omits checking a box for "Extension of Time Request," and that the amendment does not place the case in condition for allowance.

OFFICE OF PETITIONS

As to the former, applicant respectfully traverses, because the amendment was filed with a form that is devoted explicitly to the "extension of time" request. Respectfully, it is irrelevant whether the transmittal form checked the appropriate box as well.

As to the latter; that is, whether the amendment places the case in condition for allowance, the Petitions Examiner rightly relies on the Examiner of the case. Whether that Examiner is correct is a matter to be addressed with her.

Although the PTO was faxed another copy of the amendment at the time it was discovered that the amendment was not in the case within the PTO, and a copy was provided with the aforementioned petition, a clean copy of the amendment as filed is included herein.

A Notice of Appeal is also included herein to provide a fully responsive filing, even if the enclosed amendment does not place the case in condition for allowance, so that this petition may be granted.

(A) Because the abandonment resulting from an error by the PTO, it is respectfully requested that the holding of abandonment be withdrawn.

(B) Should it be decided that a withdrawal of the holding of abandonment cannot be granted, in the alternative, applicant respectfully requests that the application be revived under 37 CFR 1.137(a), because the abandonment was unavoidable inasmuch as applicant was not aware, and could not be aware, that the submitted amendment – which was received in the PTO – was lost, misplaced, or misfiled.

(C) Should it be decided that a withdrawal of the holding of abandonment cannot be granted and that a revival under 37 CFR 1.137(a) also cannot be granted, in the alternative, applicant respectfully requests that the application be revived under 37 CFR 1.137(b), for the reasons expressed above.

A grantable petition requires the following items:

- | | |
|-------------------|--|
| (1) petition fee: | The Commissioner is hereby authorized to charge Deposit Account No. 500732 of Henry T. Brendzel the appropriate amount to cover the petitions, Notice of Appeal, and any other fees associated with this filing. |
|-------------------|--|

(2) Reply and/or issue fee An amendment and a Notice of Appeal are included.
(3) Terminal Disclaimer: Unnecessary, since case was filed after June 8, 1995.
(4) Adequate showing: Showing is believed to have been met by the above.

Dated: 4/30/03

Respectfully,
Jamaloddin S Golestani
